Future Cub Care LLC is providing quality after school care to the children in Madison Consolidated Schools who will attend Anderson Elementary, Rykers' Ridge Elementary and the Junior High School during the school year of 2019-2020, from Kindergarten to 6th grade. This program follows the school calendar and costs \$40.00 per week for one child, \$70.00 per week for a family with two children, and \$100 per week for a family with three children. There is a non-refundable registration fee due upon registration to the program. The registration fee is \$50.00 per child. Payment and registration information is provided at the end of this letter. Registration fee is due at time of registration to hold your spot.

The hours of the program will run from dismissal of school until 5:30 pm. Future Cub Care LLC provides after school care on days school is in session and will not be offered if school is closed or dismissed early for any reason. The location of the after school program will be at the Anderson Elementary School with possible sites at Rykers' Ridge Elementary and the Madison Junior High School, pending enrollment. If enrollment does not support a Rykers' Ridge or Junior High site your child(ren) will be offered transportation via school bus to the Anderson building.

Future Cub Care LLC will provide a safe environment for your child that will extend learning opportunities past the school day. Activities include: homework assistance, guided STEM/STEAM activities, skill based enrichment activities, as well as social and life skill activities. A snack will be provided. All staff will be trained, competent, and eager to work with your child(ren). Please note that although homework assistance and mentoring will be provided, all homework should be checked and reviewed each night for accuracy and completion.

The safety of your child(ren) is our top priority. Space is limited, please register early. If you have any questions please do not hesitate to call Lindsay Black, (405) 351-0848 before 5 pm Monday-Friday, or e-mail anytime at futurecubcare@gmail.com. I look forward to caring for your child(ren) and thank you for the opportunity to do so.
