

Smile Programs

...the mobile dentists

Dear Parent,

Great news! Our school has partnered with Smile Programs...the mobile dentists to offer in-school dental care. Sign up your child today at www.myschooldentist.com.

Even better, dental care is usually at no cost to you. All insurance is accepted including Medicaid and CHIP. For those without insurance, a low cost self-pay option is available. No student will be turned away due to inability to pay.

Convenient and comfortable

Our in-school dental program saves you time and provides a safe and comfortable place for your child to receive gentle dental care from licensed local professionals.

Dental care includes a complete dental exam, x-rays, cleaning, fluoride and sealants when necessary, and in some cases, restorative care such as fillings.

Dental care for a healthy life

Children who see a dentist regularly may have fewer health issues like:

- Early tooth loss caused by dental decay
- Gum disease
- Heart disease
- Impaired speech development

Help keep your child healthy, in school and learning.

Simply go to www.myschooldentist.com or If you have not received a permission form, please contact the school today and ask for one to be sent home with your child.
