**Madison, IN: Yancey named Alumni Relations & Community Outreach Coordinator**

In a joint statement, the Board of School Trustees and Superintendent Dr. Ginger Bolinger have announced Mr. Kevin Yancey as the new Alumni Relations & Community Outreach Coordinator for Madison Consolidated Schools.

“We are very excited about this new district-level position. Mr. Yancey brings a special blend of talents to this role, has great relationships with a number of alumni throughout our region, and appreciates the potential of what these types of relationships could mean for our district. Over the last two years, our vision and expectations for this initiative have developed to a point where we felt in order to do it effectively, we needed full-time focus,” shared Bolinger. “We appreciate the work Mr. Yancey has done while at MCHS, and we see this as an opportunity to further develop his strengths while simultaneously focusing on building a long-term endowment for Madison Consolidated Schools.”

The transition to this new role will be determined at a later date.
