

**American Red Cross**

## FREE Smoke Alarms and Installation

The American Red Cross is offering a free smoke alarms and installation program. Smoke alarms are only guaranteed to work for ten years. Residents should test their smoke alarms monthly, change batteries every six months, and replace their alarms every ten years. Alarms should be replaced if they are older than 2007.

**To schedule an appointment for FREE smoke alarms and installation, contact the American Red Cross.**  
**Phone: (812)471-7200**  
**Business Hours: 8:30 a.m.– 5:00 p.m.**
