

2021-2022 Scholarship Award Recipients

Congratulations to the following recipients of the many, many generous scholarships available to students through various community members and organizations. As Madison Consolidated Schools, we appreciate your investment in our very deserving students. We know they will be responsible stewards of your generosity! *Some scholarships are yet to be awarded and will be done so by the respective committees after their selection is made.*

The Scholarship total awarded to the Class of 2022 was over \$1.8 million dollars.

2022 MCHS Honor Graduate

Taylor Lynch - Certificate

4.0 Celebration of Seniors

The following members of the Class of 2022, along with their parents, were treated to breakfast in April in celebration of their stellar academic achievement of maintaining a 4.0 or higher GPA throughout the first seven semesters of their high school career. The breakfast was hosted by principal Mr. Michael Gasaway and he shared slides from each student where they revealed their college choice, area of intended study, their favorite book, and special teacher shout-outs to those who have made a difference in their academic journey.

Please join us in congratulating these high achieving Cubs:

2022 Governor's Work Ethic Certificate Award

In 2018, Madison Consolidated High School was selected as one of 18 schools statewide to participate in the [Governor's Work Ethic Certification](#) program. The program is a tool that the school can use to partner with local employers to better understand their employment needs and work together to cultivate a pipeline of highly-skilled, workforce-ready high school graduates. The program focuses on employability skills in five subjective and four objective competency areas including punctuality, critical thinking, initiative, service leadership, perseverance, clear communication, reliability, and a positive attitude.

In order to qualify, students must apply for the opportunity and then maintain a 2.0 or higher GPA and be on track to graduate, have an attendance record of 98% or higher, have one or fewer disciplinary infractions, and complete 6 or more hours of community service.

MCHS had 150 students apply for the certification and 103 successfully completed the process. Madison is in the top 5 in the state for the highest-earning number of students to achieve the certification. Only three schools (Bartholomew Consolidated Schools, Jeffersonville High School, and Martinsville High School) had a higher number of completions. However, based on the percentage of students in the cohort who began the process and successfully completed the process, Madison was ranked second with a completion rate of 69%, behind BCS at 71%, Jeffersonville at 29%, and Martinsville at 25%.

Those earning the certification were:

| | | | | |
