Need to Make Dismissal Changes?

In the event you need to make changes to your student's normal transportation home, you must contact the school via phone NO later than 2:30 p.m. You may also send in a note, but notes have to be given to the main office first thing in the morning for this change to happen. Are you ready for winter weather announcements?

Just a reminder to activate your ParentSquare account! As the weather begins to change, this will be the way we communicate any necessary closures or delays. Download the FREE app and stay up to date on all kinds of other COOL STUFF coming from your school. Don't delay, activate today!

We are doing a great job with our new procedures. Keep up the good work, Bears!

Dress code:

- Pajama pants will NOT be a dress code violation.
- Hoods and hats will not be permitted while in the hallway, but it is up to the teacher's discretion if they can be worn while in class.

Tardies:

- Will now be calculated by class period and disciplinary results will be assigned by total for the period and not collective total for all class periods.

Cell Phones:

- Can be visible and with students in the hallway, so long as they are not actively using them. Once in classrooms and tardy bell rings, it is up to teachers how they want them to be stored for the remainder of the instructional block. It is up to the teacher if they allow them to be used for specific instances or occasions.

We appreciate your support as we implement changes.
