

WEEK OF SEPTEMBER 11, 2023

Big Project Work...

We bet you have noticed the new **TENNIS COURTS** project taking shape place on our campus. It is going to be an exciting week!

Beginning Thursday, we will have the first of two scheduled concrete pour dates. Pour dates are scheduled for September 14 and Monday, September 18 - weather permitting. Trucks will begin at 3 a.m. and continue through mid-day. In all, we will see 96 concrete trucks delivering materials for the project over the two days!

Traffic patterns for parents will remain the same on these dates for drop off and pick up. However, if you need to visit campus throughout the day, please park along the sidewalk side of the building and leave the parking space area open for truck traffic.

The contracting crew has been excellent to work with and is working hard.

FUN FACT: The crew works for 14 days straight and is off for four days.
