

WEEK OF OCTOBER 2, 2023

A few things to note:

- **Student hallway passes will go into effect this week.** If a student is in the hallway outside of passing periods, they will need either a hallway pass or a nurse's pass.
- As you may have heard, we are having some issues with our bathrooms. Unfortunately, we have had several situations this past week where we have had to temporarily close restrooms while our maintenance team worked to ***unclog items such as scissors, towels, etc. from the plumbing.*** It seems as though students are deliberately putting things down the toilets causing major issues for everyone.
- As a result, we will continue to fine-tune a more structured schedule for restrooms **allowing for use only during passing periods** when adult supervision is available to monitor traffic flow.

**THIS WEEK AT
MADISON JR. HIGH SCHOOL**

What's In This Week's Issue:

- Makers Night Info
- October menus
- Restroom updates

In the event of an emergency, hall passes will be an option. We believe this will help us monitor and pin point any correlations between unwanted activity and maintenance issues that cause building-wide issues.

- Student dress code information: [review the presentation linked here](#). Should you have any questions, please contact Mr. Warner. He can be reached by email at jwarner@madison.k12.in.us or by phone at 812-274-8003.

Makers Night... a celebration of the arts.

Mark your calendar now for October 19! There will be performances by the Creative Dramatics, Band, and Choir classes, games, food trucks, and a silent auction of special baskets curated by staff members.

All proceeds fund school programming.

The Hot Chocolate Bar

Is always a hit! We are seeking volunteers to provide items, as well as, work the event. If you are available,
