WHAT GETS MEASURED...

MJHS By the Numbers: Year to Date (as of 11/20/23)

Comparative Discipline Entries - Documented in Skyward

Increased numbers in 7th and 8th grade due to student tardies. Next time we will break this data out.

| 5th Grade | 6th Grade | 7th Grade | 8th Grade | Total Entries |
|-----------|-----------|-----------|-----------|---------------|
| 44 | 177 | 262 | 281 | 764 |

POSITIVE, POSITIVE, POSITIVE

Many of these write-ups stem from student tardies to class in 7th and 8th grade.

| Total # of students WITH a writeup | Total # of students with NO writeup | % of students with a write up | % of students with NO write up |
|------------------------------------|-------------------------------------|-------------------------------|--------------------------------|
| 119 | 576 | 17% | 83% |

Of the 119 students with a write up, 56 of the students have received more than 1 writeup.

47% of these students are habitual offenders.

Moving forward - how do we celebrate the 83% doing the right thing, and get to the root of the problem for the 17%.

CONGRATULATIONS to our 5th graders! They led the way with the best attendance. Remember BEARS, our **goal is 95% attendance** - let's work together to get it done!

HUGE shout-out to our new Student Leadership Team who has stepped up to work together with staff to improve the overall culture within our building. Student-driven change is where the magic happens and we appreciate the large number of students who have come forward to help make a difference!
