*Subway Fundraiser - Tuesday, March 14th. We need to advertise on FB and the sign out front. Papers need to be distributed.

*McDonald's Burger Bash - set up for April. Could we have teachers there to play board games again?

*Kona Ice Day - We could schedule before Spring Break. We could cover for a small Kona Ice, and students could pay to upgrade. We can schedule for two days.

*PTO minutes linked on the school website.

*Spirit Wear - continue to share on social media and via emails

*School Sign - Sign is not changed regularly. Who is in charge of changing it? Could a parent volunteer help with this? Could we use it to advertise Burger Bash nights?
Advertise Subway fundraiser for the second Tuesday, March 14th. Remind students to have a paper.
