

Arrival Procedures: Lydia Middleton Elementary

New Arrival Procedures at Lydia Middleton

With student and staff safety in mind, new arrival procedures have been developed at Lydia Middleton for the 2020-2021 school year. Due to the new safety guidelines which have been implemented this year, the following changes have been made:

- Parents will need to drop their students off at the Third Street Door and remain in the car;
- If a parent needs to drop something off for a child, he or she will need to give the item to the person at the door;
- Social Distancing will be followed throughout the day;
- Masks will be worn during arrival and throughout most of the day.

Bus Riders

Bus Rider Procedure:

- Bus riders will step off the bus in an orderly manner one at a time leaving approximately three feet between themselves and the person in front of them;
- All bus riders will wear masks;
- The bus driver will provide students with a seating chart;
- As students enter the building, they will report to an assigned location.

Car Riders

Car riders will also enter at the Third Street Door. All cars will enter from Third Street onto the entrance near the shed located in the staff parking lot.

- Parents must stay in their cars during arrival;
- A staff member will be at the door to assist;
- If you choose to walk your child to the door, please park on a side street and walk.

Entering the Building

As students enter the building, they will report their designated location and maintain a safe distance from the person next to them. Staff members will assist students in directing students to their assigned spots:

- Preschool students will be escorted to the preschool room;
- Kindergarten students will report to the cafeteria;
- First-grade students will report to the auditorium and sit at tables labeled by teacher names;
- Second through fourth-grade students will report to the gym.

Walking to the Classroom

At 7:35, teachers will report to the designated area assigned to their students. Students will follow their teachers to the classroom to begin instruction. Welcome Back!
