

# Shared Spaces: Lydia Middleton

2020-2021

## Cafeteria

All teachers will receive a new breakfast and lunch schedule with the new procedures outlined to comply with the COVID 19 precautions.

# Cafeteria Procedures

- No parents or outside visitors will be permitted to join students for lunch or breakfast;
- All students will need to wash their hands before and after eating;
- Kindergarten and preschool students will eat breakfast in the cafeteria;
- Grades one through four will eat breakfast in their rooms;
- Lunch codes will be entered by cafeteria staff members;
- Students will sit together as a class and implement social distancing to the extent possible;
- Custodians will clean and disinfect tables between lunches.

---

# Recess Procedures

- A recess/lunch schedule has been shared with teachers;
- Classes will be separated at recess by using both playgrounds for one grade level and dividing the second playground into zones;
- Teachers will rotate use of the playgrounds on a weekly basis.

---

# Classroom

In the classroom, the following procedures will be in place:

- Desks will face forward and be spaced as far apart as possible;
- Students will wear masks during instruction;
- Students will wear masks during transitions;
- Students will be given their individual supplies;
- Student desks will be wiped down throughout the day;
- Students will not be gathering in a communal area on the floor.

# Hallway

- Masks will be required during all transitions
- Water fountains have been shut off, but students will be permitted to bring their own water-bottles;
- A water-bottle filling station has been installed outside the ground floor restrooms;
- Teachers will model appropriate hallway procedures.

# Classroom Materials

Thanks to the generous support of Super ATV, very few items need to be supplied by parents or guardians. The following will be needed for the upcoming year:

- Headphones;
- A backpack;
- A water bottle.

# Devices

Students in grades K-2 will receive iPads this year. Students in grades 3-4 will receive Chromebooks. Before devices can be distributed, last year's devices must be turned in and inventoried. **Please remember to bring in your device and return it to your classroom teacher.** The sooner these devices are returned, the sooner students will receive devices for this year.
