

March 2, 2026

It's time to think about Kindergarten enrollment! We are going to do things a bit differently this year!

Kindergarten **ENROLLMENT** for any student who is or will be five years old on or before August 1st. We will also host in-person events in all buildings on April 2, 2026. Please visit your HOME SCHOOL to enroll any time between 4-7 p.m.

Please review this [elementary school district map](#) to determine your HOME SCHOOL location based on your permanent address. Should you wish to request a transfer to another school located outside of your home district, you will need to complete the [Student Transfer Application](#). This application must be completed and returned to the Administration Office located at 2421 Wilson Avenue. Transfers are determined by the availability of classroom space by grade level, are considered on a first-come, first-served basis, and are not guaranteed. Priority will be given to families who already have a student at a school's location.

Steps to enroll your **kindergarten student** for the 2026-2027 school year:

1. Determine your home school location.
2. Bring your student and visit your home school on April 2nd to complete the enrollment and assessment.
3. If unable to attend the April event and need a paper copy, visit the school's Main Office location during the school day to pick up a paper packet. Or contact the school office for further directions for online enrollment or 2026-2027.
4. Return the completed packet or complete online enrollment for 2026-2027 in order to secure your spot.
5. Watch for communication in early July about completing the online registration process via Skyward.
6. Watch for information from your school regarding information about a summer Open House!

You will need the following information in order to enroll in **kindergarten**:

- A CERTIFIED copy of your child's birth certificate.
- A copy of your child's immunization record.
- Proof of residency. Examples include a valid driver's license, a copy of a utility bill, a copy of a credit card statement, or other bills mailed to the home address. All must be dated within the last 60 days.

Each school will plan a special Open House later in the summer for students and their families to have an opportunity to tour their building, meet their teachers, and ask any questions they may have about starting school! We will share that information as soon as it is available. Please follow your home school's Facebook page, as well as the MCS page.

It is a great time to be a Future Cub - we look forward to meeting you!
