

May 15, 2024

Dear Madison families:

We will begin collecting student devices next week. Students currently in grades 9 through 11 (next year's sophomores, juniors, and seniors) will be permitted to take their devices home over the summer. If their device needs repairs, they can check it back into the high school technology office and it will be returned to them at the beginning of the school year.

The technology department tagged each student's device and charger with an asset number at the beginning of the school year to ensure that every student was issued a device and charger. If any device or component that was issued is not turned in, there could be a bill sent out for non-return of those devices. This includes the Chromebook charger which will be billed at \$40.00, iPad charger which will be billed at \$15.00, and the protective plastic Chromebook casing which will be billed at \$25.00. Please see your school's [student handbook](#) for a complete listing of damage and item costs.

Collections Dates for each school will be as follows:

- May 21..... Junior High, Grade 6
- May 22..... Anderson, Grades K-4
- May 22..... Rykers' Ridge, Grades K-4
- May 23..... Deputy, Grades K-4
- May 23..... Lydia-Middleton, Grades K-4
- May 23..... MCHS, Seniors only
- May 23..... Junior High, Grade 5
- May 24..... Junior High, Grades 7-8

Should you have any questions about device collection, please contact the Technology Department at 812-274-8010 or Technology Clerk Amanda Wooldridge at awooldridge@madison.k12.in.us.

Thank you,
Josh Taylor, IT Director
