

On My Way PreK Application Information:

1. If you are receiving CCDF (from RVR or Firefly) vouchers for childcare, you may use those same vouchers at OMWPK programs and do not need to reapply. Please contact Erica.woodward@fssa.in.gov to complete this process or you will not receive OMWPK funding. **THIS ONLY APPLIES TO CURRENT ACTIVE CCDF families.**
2. Be sure to give the correct email and phone number on your application as this will be how we contact you.
3. The application will ask you if you have a SNAP, DCS or TANF referral. If you have ever received SNAP or TANF or had a child in DCS, this is not the same as a referral! Do not check that you have a referral, unless you have one, as a referral is very different then simply receiving it (see below).

* Check all that apply

☐ My family has a current referral for child care through my TANF Impact case worker

☐ My family has a current referral for child care through my DCS case worker

☐ My family is currently receiving TANF benefits

☐ I have an open case with Child Protective Services (CPS)

☐ I have a child who has a special education need or needs special care

☐ My family resides in a homeless or domestic violence shelter, car, park or other public place

☐ My family has a current referral for child care through my SNAP case worker

☒ None of these apply

* Do your assets exceed one (1) million dollars?

4. If you applied before March 13th, you will need to reapply. If you can't get a new application or are having problems, please contact Erica.woodward@fssa.in.gov
5. The application will ask for all of your children's names at the end. **DO NOT JUST LIST THE PREK CHILD.** You must list **ALL OF THE CHILDRENS NAMES IN THE HOUSEHOLD** because if you don't, the system will populate you as only having the one prek child in your family and possibly denying you funding (see below).

6. Do not list your yearly income. The application is asking for your **MONTHLY INCOME BEFORE TAXES** (gross income). Do not guess or estimate it as it could put you over income (see below).
