

Celebration Edition

Celebrating our Employees!

For the first time since the 2019-2020 school year, MCS hosted an in-person employee celebration on May 30, 2023. “We are so thankful for each of you and the difference you make for our students daily,” stated Superintendent Dr. Teresa Brown as she kicked off the event. “Every single one of us is an educator in some way, each of us has the opportunity to touch a student's life simply by being a presence in their daily life with a kind word or gesture - every single one of us makes a difference.”

The day began with a breakfast for the entire district prepared and served by our MCHS Cafe team. Sweets, savories, and something for everyone as several of the district’s 400+ employees filled the cafeteria with lots of stories and laughter. The festivities then moved into the Opal E. Sherman Auditorium where service anniversaries from 5 years to 43 years were celebrated, retirees were recognized, and for the first time, the district’s Teacher and Employee of the Year were recognized in front of all of their peers. “I think it is so important for all of us to gather a few times a year,” shared Brown during her presentation. “We haven’t all been together since opening day and it is nice to be able to celebrate another successful year together.”

This year’s morning event was a change from the evening event of prior years. Retirees were encouraged to bring their families to share their special day and were able to enjoy stories and memories as shared by each employee’s supervisor.

There were 64 employees with five to eight years of service who were sent a gift card ahead of the celebration. Ten and fifteen-year anniversaries were recognized with a gift card, a rose, and recognition during the convocation. Employees with more than 20 years of service also received a gift card (all in incremental amounts based on year), a rose, and a personalized plaque, and ten retirees were recognized and received all of the above, as well as, a framed, signed print of an original painting of one of three Madison community landmarks created by MCHS teacher and local artist Aaron Kelsey. In all, the district recognized 159 employees ranging from five to forty-three years of service.

To begin the celebration, Dr. Brown once again recognized Eric Phagan as the district’s Teacher of the Year, and Montica Brawner as the district’s Employee of the Year. Each received a bouquet of flowers, a commemorative, personalized plaque, and a gift card.

Honored for their years of service dating back to 2020:

MCHS School-wide End of Year Celebration

May is a big month for the seniors at MCHS but on the last day of school, it is a day to celebrate all of the hard work and commitment all of the students have done all year. The final hour of the very last day is marked for a school-wide convocation to celebrate the end of finals for everyone, the beginning of summer, and a few final awards capped off with the end-of-year pep rally where the coveted Spirit Stick is once again up for grabs. This year, the weather cooperated and the celebration was outdoors at the football field. All of the students were dismissed and walked together to the field where the music was blaring, the seniors were waiting, and excitement was high as everyone was talking about summer plans.

This is the time of year when athletics recognizes exceptional effort, program leaders recognize departmental accomplishments, and retiring high school teachers are shown due appreciation from the student body. Once the ceremonial awards were announced, the Pep Session to close the year was a rowdy hit! Emcee Coach Adam Stotts had the crowd going and started a new tradition this year where the seniors are invited down and shown appreciation by the remaining student body with a chant of “Thank You Seniors!” resonating all over the campus and neighborhood. From that point, the festivities and games began and at the end of the day, the Class of 2025 held the Spirit Stick.

Congratulations to the Class of 2025 for winning the Spirit Stick!
