- Base Annual Salary – Initial starting salary of \$145,000. Beginning in the 2023-2024 contract year and each contract year thereafter, if the Superintendent is evaluated as highly effective or effective and achieves the annual performance objectives established by the Board, then the Superintendent will receive a base salary increase that is equivalent to the highest base salary increase received by a teacher employed by the School Corporation (either in percentage or flat dollar, whichever is applicable). If an individual teacher or a select number of teachers are given a higher base salary increase than a majority of the teachers due to the special needs of the School Corporation, then the Superintendent will receive the highest base salary increase (either in percentage or flat dollar, whichever is applicable) that is received by a majority of the teachers.
- Evaluation - The Superintendent is evaluated at least once each school year.
- Stipends – If the teachers receive a one-time stipend during any Contract year, then the Superintendent will receive a one-time stipend that is equivalent to the highest one-time stipend amount paid to a teacher during the applicable Contract year. Stipends will not become part of the Superintendent’s annual base salary.

- Sick Days: Minimum of 7 days each contract year. Unused sick days may accumulate up to 120 days.
